Subject: ***Invitation for participation in the European Deaf Champions League - Women Football (7x7) Challenge Cup 2018***

Dear friends,

It is a great pleasure to announce that the **European Deaf Champions League - Women Football (7x7) Challenge Cup 2018** will be held in Milano (Italy) on 28th May - 2nd June 2018 in close collaboration with the S.S.S. Milano club.

We would like to invite women teams to participate in the DCL competition, so we are asking if your national federation have any women teams that can participate. The event will be the first time for women football and we want to promote this section.

The women's competition will be played a '7x7' (7 players per team) so we can encourage the development of women football in Europe. If you have only '11x11' teams, they can still be invited. **Please forward this invitation letter to the clubs who may be interested in participating.**

The Organising Committee of S.S.S. Milano (COL) for the DCL Football 2018 will distribute information on the event in Milano in the coming weeks.

Please let us know of any women teams from your country that can play in the DCL competition in Milano. Each team must get their national federation agreement to play in the DCL. We can only accept a maximum of **3 women teams** from your country if you have national championships, **or 2 women teams** if you do not have national championships.
Priority will be given to the teams from countries that have a national championship, so the other teams will be possibly be reserve teams depending on the number of registered teams.

INFORMATION: The clubs have to pay the registration fee (**100€ + deposit 100€**) before **10th March 2018**. If addition, the club must pay the registration fee for each player / team official (5€ per player/official), which must be paid upon arrival in Milano, but we use the deposit first to help settle registration fee.

We will be very delighted to welcome you to the DCL 2018 in Milano!

Best Regards

Christian Guenedal
