Subject: ***Invitation for participation in the 2nd European Deaf Champions League - Women Football (7x7) Challenge Cup 2019***

Dear friends,

It is a great pleasure to announce that the **2nd European Deaf Champions League - Women Football 2019** will be held in London (England) on 15th - 20th April 2019 in close collaboration with the Charlon A.D.F.C.

We would like to invite women teams to participate in the DCL competition, so we are asking if your national federation have any women teams that can participate. The event will be the second time for women football and we want to promote this section.

The women's competition will be played a '7x7' (7 players per team) so we can encourage the development of women football in Europe. If you have only '11x11' teams, they can still be invited. **Please forward this invitation letter to the clubs who may be interested in participating.**

The Organising Committee for the DCL Football 2019 will distribute information on the event in the coming weeks.

Please let us know of any women teams from your country that can play in the DCL competition. Each team must get their national federation agreement to play in the DCL. We can only accept a maximum of **3 women teams** from your country if you have national championships, **or 2 women teams** if you do not have national championships.

Priority will be given to the teams from countries that have a national championship, so the other teams will be possibly be reserve teams depending on the number of registered teams.

INFORMATION: The clubs have to pay the registration fee (**100€ + deposit 100€**) before **31th December 2018**. If addition, the club must pay the registration fee for each player / team official (5€ per player), which must be paid upon arrival.

We will be very delighted to welcome you to the DCL 2019 in London!

Best Regards
