REPORT 2017

EUROPEAN

DEAF

CHAMPIONS

LEAGUE

Dear friends and football/futsal fans,

We have closed the year 2017 with 5 events (football, women futsal, men futsal, men U-21 futsal and workshop) that we would like to expose all activies by report with this document for your knowledge. Our technical team, we want to show to all people that follow our sport as visibility and proof of our work.

We had a real working team, mixture of youth and experience. We should never forget our values: humility, hard work and transparency, values that I can assure you, all the members of our executive committee had with all players, officials, organising committees and volunteers.

I would like to thank particularly to EDSO and UEFA for his support to DCL. This way, DCL started a new stage, with real hope and waiting for improvement with players. DCL started a hard way which must do it all together, hand in hand, to arrive where all of us know well and to get a great future.

At the same time, I would like to take this opportunity to thank sincerely to all Organising Committees that worked with the events in 2017 for their collaboration and good job. The preparation of the futsal/football events and workshop requires a lot of time and big effort.

To sum up, I invite the fans of this sport to join us and enjoy this report and we see us next edition.

Thank you and best wishes.

Juan Carlos Basilio DCL President

- Once the club has registered their final list of players (i.e. maximum of 16 players/23 players, 7 days before the competition), they can make a maximum of 3 changes to list of players, on grounds of ill health/nijuries, before the competition starts. Such changes must be supported with evidence (e.g. doctor note) and no fine will be imposed. The changes must be made from the original players list (up to 20 players/30 players) submitted 4 weeks before the competition. Changes to the list of officials may be made without any fine being imposed.
- If the club has no more players to select from their original players list and the club wants a new player to replace the player who is ill/injured, then this is a 'New Players List' and a fine of 100 is to be imposed.

4. Next event (2. DCL U-21 FUTSAL 2018)

There are some 2-3 candidates to host next event and before 15th December 2017 will be the deadline to receive the official candidates and after the DCL Executive Committee will announce the venue to host the event.

2017 was a big year for DCL; the first DCL Under 21s tournament was held and with great success!

Travelling to Milan, DCL Media met on Wednesday night ahead of three days of filming.

First on the agenda was filming the live draw; a simple task but one that required a substantial amount of equipment. Luckily Milan Deaf Club was able to provide a fantastic studio space that we could use.

The following day the team got together to ensure plans for the weekend were set up and clear. Teams entered into the tournament joined us and together with the help of the DCL committee, official photographs were taken.

On Friday the excitement was turned up a level as the tournament officially started. First on our agenda was filming the group stages game and quickly editing footage and uploading videos onto the web so supporters at home could follow the tournament as if they were there. Each broadcast featured a mix of game highlights and player interviews, giving a real sense of atmosphere.

At the quarter-final stages we took a different approach to filming; the game was broadcast live! The Media team grew in size and everyone worked to a rota to ensure all the action was captured on camera and fans at home didn't miss a thing. Luckily for us all of the games were played on the same pitch which saved a lot of time and hassle as we weren't having to run and set up cameras in different venues.

We received great feedback about the live filming so decided the final should be broadcast in this way too. Trying to give the audience back home the best viewing experience, we included as many sub-shots as possible, such as close ups of the groundsmen as well as what was happening on the pitch.

We couldn't have done such a great job without the amazing help from Milan volunteers and the whole DCL team. Having the whole tournament, from the live draw to the final game, captured on camera was brilliant. DCL Media did a marvellous job.

On Sunday, DCL Media met once more to create official feedback notes, working out ways to improve for next year, any extra equipment that may be needed, volunteer support and timings.

The whole experience was incredibly enjoyable and a huge learning curve for DCL Media.

In addition, we would like to thank very much the Committee Organizing Local (COL) for the offer of materials, snacks and equipment. This support from Committee Organizing Local has contributed to a very positive result of our work in the 1st DCL Under 21s tournament.
